## Picture Day this Thursday

This Thursday, November 12th is Picture Day.

Flyers from Lifetouch went home last week. If you did not receive one, please come to the office or see your child's teacher.

The pictures taken Thursday are a traditional school picture.

**Payment must be received before pictures are taken.** Checks should be made payable to Lifetouch. Lifetouch also accepts credit card payments. Please see the order form on the flyer for more details.

Lifetouch will also come back in February to take individual spring pictures and class pictures.

November 15th @ 5:00 p.m. at Christ  
the Lord Sienna. Directions and maps  
are attached. Please be there by 4:30.  
Everyone is also welcome to join us at

*We invite everyone to Bible information classes that will be held on Tuesdays at 3:45 and Wednesdays after morning chapel at 8:45AM. Please speak with Mr. Vasold, Pastor Bivens, or Pastor Schlomer if you would like to set up a different time.*

## Preschool

Dear parents,

Our book of the month for November is *Lunch* by Denise Fleming. Since the mouse in the book likes to eat fruits and vegetables, we are going to do some math activities with fruits and vegetables next week. **Please have your child bring 1 item that is his favorite fruit or vegetable to school by Tuesday.** Thank you!

Book orders were put in your boxes on Thursday. If you would like to order, just follow the instructions on the orange sheet. **Book orders are due by this Friday, November 13** (if you'd like to order online, you may order until Sunday, November 15).

Have a blessed week in the Lord,

Miss Marquardt

## Grades 2-4 Dear Parents,

We only have one more letter to go before we have spelled out Build-A-Bear! Our trip to Build-A-Bear will be next Thursday at 10:00 am. If you can drive for this special trip, please let me know. Also check out their website for special coupons and in-store deals.

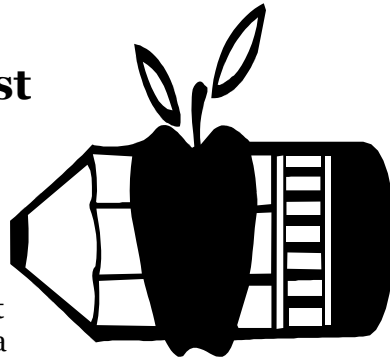

We are singing at Christ-the-Lord Sienna this Sunday. The children have been working very hard on this song and really enjoy singing it! Please look for directions and make every effort to be there! Questions...please ask!

We are out of our classroom supply of forks. If you are able to contribute extra forks to our classroom for lunch time that would be great! Bring them in at anytime! Thank you!

## Grades 5-8 Dear Parents,

We are heading to the library this afternoon. The students will be checking out books that pertain to their topic. We will be able to spend about two hours at the library. This may be enough time for some, but your child may find the need to return to the library later in the process.

It was posted on the sheet at the beginning of the year that the students have a fantasy book report due Wednesday. I have postponed the due date so the students may concentrate on their research paper. The book report will be due in the middle of December. An exact date will be finalized by the end of November.

The 5<sup>th</sup> and 6<sup>th</sup> grade have a science quiz on the functions and characteristics of bones on Thursday. The 7<sup>th</sup> and 8<sup>th</sup> grades also have a science quiz due on Thursday with regards to heat and heat transfer.

Have a blessed week,

Mr. Vasold
